

## Here Comes Your Man

Meaghan Smith

Outside there's a boxcar waiting  
Outside the family store  
Out by the fire breathing  
Outside we wait till face turns blue  
I know the nervous walking  
I know the dirty beard  
Hangs by the boxcar waiting  
Take me away to nowhere plains  
There is a wait so long (so long, so long)  
Never wait so long

Here comes your man  
Here comes your man  
Here comes your man  
Here comes your man

Big shake on the boxcar moving  
Big shake on the land that's falling down  
Is a wind makes a pond stop blowing  
A big big stone fall and break my crown  
There is a wait so long (so long, so long)  
Never wait so long

Here comes your man  
Here comes your man  
Here comes your man  
Here comes your man  
Hey heres your man  
Here comes your man  
Here comes your man  
Here comes your man  
Here he comes  
Here comes your man  
Here comes your man  
Here comes your man  
Here comes your man  
Here he comes, your man  
Here comes your man  
Hey here's your man  
Here he comes
