

History of Lies

Mean Streak

Nowhere to run
This world is on fire
Hide from the sun running away
This is the way it turned out
This is the story we have to tell
Learn from mistakes in the past

You are the children of tomorrow
You will be carry on the legacy
You are the children of tomorrow
you have the means to change our
destiny our history of lies

Somewhere in times
we lost the battle
Dollars and dimes
conquered us all
We live in the twilight of man
watching the world as it fades away
Learn from mistakes in the past

You are the children of tomorrow
You will be carry on the legacy
You are the children of tomorrow
you have the means to change our
destiny, our history of lies
