

## Bad for Good

Meat Loaf

The sea is whipping the sky  
The sky is whipping the sea  
You can hide away forever from the storm  
But you'll never hide away from me  
The icy cold will cut us like a knife in the dark  
And we may lose everything in the wind  
But the Northern Lights are burning  
And they're giving off sparks  
I want to wrap myself around you like a winter skin

You know I'm onto your scent  
We're near the end of the chase  
Take a look out your window and I'll be there in the night  
Your love is so close that I can almost taste it  
The icy cold will cut us like a knife in the dark  
And we may lose everything in the wind  
But the Northern Lights are burning  
And they're giving off sparks  
I want to wrap myself around you like a winter skin

You've been living your life like a girl in a cage  
And you whisper when I want you to shout  
And I wonder why you wanna go on sleeping  
When there's nothing left to dream about  
But you better remember  
If it's something I want then it's something I need  
I wasn't built for comfort I was built for speed  
If it's something I want then it's something I need  
I wasn't built for comfort I was built for speed

And I know that I'm gonna be like this forever  
I'm never gonna be what I should  
And you think that I'll be bad for just a little while  
But I know that I'll be bad for good  
I know that I'll be bad for good  
I know that I'll be bad for good

Your eyes are darker than sin  
And I've been watching them glow  
Take a chance on a promise and a roll of the dice  
Put your foot on the gas, let it go, let it go, let it go

You've been living your life like a girl in a cage  
And you whisper when I want you to shout  
And wonder why you wanna go on sleeping  
When there's nothing left to dream about  
But you better remember  
If it's something I want then it's something I need  
I wasn't built for comfort I was built for speed  
If it's something I want then it's something I need  
I wasn't built for comfort I was built for speed

And I know that I'm gonna be like this forever  
I'm never gonna be what I should  
And you think that I'll be bad for just a little while  
And you think that I'll be bad for just a little while  
And you think that I'll be bad for just a little while

But I know that I'll be bad for good  
I know that I'll be bad for good  
I know that I'll be bad for good  
I know that I'll be bad for good

Bad for good  
Bad for good

For the good of some thrills on a long frigid night  
For the good of the fire in your soul  
For the good of the kiss let me hold you so tight  
For the good of getting out of control  
For the good of the action and a race in the dark  
For the good of those chills up your spine  
For the good of the rock and the roll in your heart  
For the good of what's yours and what's mine  
For the good of believing in a life after birth  
For the good of your body so bright  
For the good of the search for some heaven on earth  
For the good of one hell of a night  
For the good of one hell of a night

For the good of the action and a race in the dark  
For the good of the fire in your soul  
For the good of the rock and the roll in your heart  
For the good of getting out of control  
For the good of believing in a life after birth  
For the good of your body so bright  
For the good of the search for some heaven on earth  
For the good of one hell of a night, for the good of one hell of a night

God speed!  
God speed!  
God speed! speed us away!  
God speed!  
God speed!  
God speed! speed us away!

I'll be bad for good (God speed)  
I'll be bad for good (God speed)  
I'll be bad for good (God speed)  
Speed us away, speed us away, speed us away, speed us away

The sea is whipping the sky  
The sky is whipping the sea  
You can hide away forever from the storm  
But you'll never hide away from me  
The icy cold will cut us like a knife in the dark  
And we may lose everything in the wind  
But the Northern Lights are burning  
And they're giving off sparks  
I want to wrap myself around you like a winter skin

I know that you can be bad  
At least a little while  
But if you give me a chance, give me one little chance  
And give me all the love that you should  
Then instead of being bad for just a little while  
Then instead of being bad for just a little while  
Then instead of being bad for just a little while

I'm gonna make you bad for good  
I'm gonna make you bad for good

I'm gonna make you bad for good  
I know that you'll be bad for good  
You'll be bad for good
