

# Don't You Look at Me Like That

Meat Loaf

I still dream of you wakin' up openin' your eyes  
Like a little girl I once knew walkin' to the window  
Lookin' down on the street  
You walk with me and I walk with you

Well I thought it all over it doesn't make any sense  
Why did it fall apart when it seemed so innocent?  
You and I were like a light from a fallen star  
You can't go back you can't run away from your heart

Don't you look at me like that  
'Cause I fall all over again  
And I just can't hold on to your love anymore  
Don't you look at me like that  
'Cause I start all over again  
And it just can't be like it was once before

Don't stand there in the rain  
Lookin' like some long lost angel?  
You and I were like a light from a fallen star  
You can't go back you can't run away from your heart  
Don't stand there in the rain  
Lookin' like some long lost angel

Don't you look at me like that  
'Cause I fall all over again  
And I just can't hold on to your love anymore  
Don't you look at me like that  
'Cause I start all over again  
And it just can't be like it was once before
