

It Just Won't Quit

Meat Loaf

And I never really sleep anymore
And I always get those dangerous dreams
And I never get a minute of peace
And I gotta wonder what it means
And I gotta wonder what it means

Maybe it's nothing, and I'm under the weather
Maybe it's just one of those bugs going 'round
Maybe I'm under a spell and it's magic
Maybe there's a witch doctor with an office in town

Is this a blessing or is it a curse?
Does it get any better? Can it get any worse?
Will it go on forever? Is it over tonight?
Does it come with the darkness? Does it bring out the light?
Is it richer than diamonds or just a little cheaper than spit?

I don't know what it is, but it just won't quit
I don't know what it is, but it just won't quit
I don't know what it is, but it just won't quit
I don't know what it is, but it just won't quit

And there used to be such an easy way of living
And there used to be every hope in the world
And I used to get everything that I went after
But there never used to be this girl
But there never used to be this girl

Maybe I'm crazy, and I'm losing my senses
Maybe I'm possessed by a spirit or such
Maybe I'm desp'rate and I've got no defences
Can you get me a prescription for that one perfect touch

Is this a blessing or is it a curse?
Does it get any better? Can it get any worse?
Will it go on forever? Is it over tonight?
Does it come with the darkness? Does it bring out the light?
It's a stairway to heaven or a subway going down the pits

I don't know what it is, but it just won't quit
I don't know what it is, but it just won't quit
I don't know what it is, but it just won't quit
I don't know what it is, but it just won't quit

(Instrumental)

Is this a blessing or is it a curse?
Does it get any better? Can it get any worse?
Will it go on forever? Is it over tonight?
Does it come with the darkness? Does it bring out the light?
Is it richer than diamonds or just a little cheaper than spit?

I don't know what it is, but it just won't quit
I don't know what it is, but it just won't quit
I don't know what it is, but it just won't quit
I don't know what it is, but it just won't quit
I don't know what it is, but it just won't quit

I don't know what it is, but it just won't quit
I don't know what it is, but it just won't quit

There was a time when nothing ever really mattered
There was a time when there was nothing I didn't know
There was a time when I knew just what I was living for
There was a time and the time was so long ago
There was a time and the time was so long ago
And I never really sleep anymore...
