

## Jimmy Bell

Meat Loaf

Jimmy Bell's in town  
Walking all around  
He's got some dreams himself  
And some other good stuff now babe  
Bring your man to see it now, honey

Jimmy Bell's in the pulpit  
Bible in his hand  
Good Lord! Now three sisters in the corner crying  
Jimmy Bell's my man now, babe  
Jimmy Bell's my man

Jimmy Bell calls the sexton,  
"Come and toll your bell for me  
Cuz there's some of these old members here  
Don't you know  
They're going to hell, hell, hell"  
Jimmy Bell

Jimmy Bell calls the children,  
"Won't you bring your sins to me?  
Five dollars here, you know  
It's gonna save your soul  
So little to pay, don't you know "

Jimmy Bell calls the sexton,  
"Come and toll your bell for me  
Cause there's some of these old, old members here  
Don't you know  
They're going to hell, hell, hell"  
Oh, Jimmy  
Jimmy  
Jimmy
