

Kiss Me Again

Meat Loaf

Yes, it's getting very late
Honey, please don't make me wait
Kiss me again
You know I'm so in love with you
That I don't know what to do
Baby
Kiss me again
Kiss me again

Every time I see you
Oh, now honey
Sensation fills my soul
(Don't you know)
How I'd love to have you
And I'm never gonna let you go

Let me whisper in your ear
Now the time is drawing near
Baby
Kiss me again
Kiss me again

Every time I see you
Darling, every time
Sensation in my soul
(In my soul)
How I'd love to hold you
And I'm never gonna let you go
