

Los Angeloser

Meat Loaf

I wrote you this poem
I'd like to dedicate it to you

I'm just a white boy
I play the guitar
I put my pants on
I drive a shit car
Up into the valley
To see my girlfriend
She's got a big couch
She's got a Mercedes Benz

Sing hallelujah
My glass is half full
She pours me champagne
She drinks a Red Bull
And she says 'darling
One thing thing you got to understand
As long as I am satisfied
Well, you will always be my man

You know that I, I'll give you all the love that have
I'll empty all my pockets and I give you what I can
You know that I, I'll give you all the love that have
I'll give you all the love that I can

Los Angeloser
Los Angeloser
Los Angeloser
I'll give you all the love that I can

Oh yeah
We got the sunshine
We got the good friends
We (do-si-do) and all the time
Out in the wilderness
She always looks fine
She's gonna be the one to make it
And I'll be two steps behind

You know that I, I'll give you all the love that have
I'll empty all my pockets and I give you what I can
You know that I, I'll give you all the love that have
I'll give you all the love that I can

Los Angeloser
Los Angeloser
Los Angeloser
I'll give you all the love that I can

Now check this out
I say this
I say this with the deepest appreciation for all you ladies out there
Especially the ones who've shown a little love for someone such as myself
You believed in me
Loved me
...

If it wasn't for you
There would be no... me

I thank you baby
The way you save me
I would repay you
But I'm too lazy

I thank you baby
The way you save me
I would repay you
But I'm too lazy

You know that I, I'll give you all the love that have
I'll empty all my pockets and I give you what I can
You know that I, I'll give you all the love that have
I'll give you all the love that I have
I wrote you this poem
I'd like to dedicate it to you
