

## Original Sin

Meat Loaf

I've been looking for an Original Sin  
One with a twist and a bit of a spin  
And since I've done all of the old ones  
Till they've all been done in  
Now I'm just looking  
Then I'm gone with the wind  
Endlessly searching for an Original Sin...

You can dance forever  
You got a fire in your feet  
But will it ever be enough?  
You know that it'll never be enough  
You can fly and never land  
And never need to sleep  
But will it ever be enough?  
You know that it'll never be enough...

It's not enough to make the nightmares go away  
(It's) not enough to make the tears run dry  
(It's) not enough to live a little better every day

Everything that they taught us  
Was nothing but lies  
Everything that they brought us  
Was nothing but bribes

But it'll all be over now...  
All i wanted was a piece of the night  
I never got an equal share  
When the stars are out of sight  
And the moon is down  
The natives are so restless tonight...

I've been looking for an Original Sin  
One with a twist and a bit of a spin  
And since I've done all of the old ones  
Till they've all been done in  
Now I'm just looking  
Then I'm gone with the wind  
Endlessly searching for an Original Sin...

You can lose yourself in pleasure  
Till your body's going numb  
But will it ever be enough?  
You know that it'll never be enough  
You can always take whatever  
You conceivably could want  
But will it ever be enough?  
You know that it'll never be enough...

It's not enough to make the nightmares go away  
(It's) not enough to make the tears run dry  
(It's) not enough to live a little better every day

Everything that they taught us  
Was nothing but lies  
Everything that they brought us

Was nothing but bribes

But the lies are over now...  
All i wanted was a piece of the night  
It never had to get so dark  
When the stars are out of sight  
And the moon is down  
The natives are so restless tonight...

I've been looking for an Original Sin  
One with a twist and a bit of a spin  
And since I've done all of the old ones  
Till they've all been done in  
Now I'm just looking  
For an Original Sin...

I've been looking for teh ultimate crime  
Infinite victims, Infinitesimal time  
And I'm so very guilty for no reason or rhyme  
(So) now I'm just looking  
And killing some time  
Endlessly searching for the ultimate crime...

I've been looking for an Original Sin  
One with a twist and a bit of a spin  
And since I've done all of the old ones  
Till they've all been done in  
Now I'm just looking  
Then I'm gone with the wind  
Endlessly searching for an Original Sin...

I'm applying for a license to thrill  
Going out on the edge - moving in for the kill  
(And) they'll be hell to pay someday  
(So) put it all on the bill  
Cause we'll always be paying  
And paying until  
We're beyond expiration  
With a license to thrill...(I've been looking for an Original Sin...)
