

# Out of the Frying Pan (And into the Fire)

Meat Loaf

It's only two o'clock  
And the temperature's beginning to soar  
And all around the city  
You see the walking wounded and the living dead  
It's never been this hot and I've never been so bored  
And breathing is just no fun anymore  
Then I saw you like a summer dream  
And you're the answer to every prayer that I ever said  
I saw you like a summer dream  
And you're the answer to every prayer that I ever said

You can feel the pulse of the pavement  
Racing like a runaway horse  
The subways are steaming  
And the skin of the streets is gleaming with sweat  
I've seen you sitting on the steps outside  
And you were looking so restless and reckless and lost  
I think it's time for you to come inside  
I'll be waiting here with something that you'll never forget  
I think it's time for you to come inside  
I'll be waiting here with something that you'll never forget

Come on, come on and there'll be no turning back  
You were only killing time and it'll kill you right back  
Come on, come on, it's time to burn up the fuse  
You got nothing to do and even less to lose  
You got nothing to do and even less to lose

So wander down to the ancient hallway,  
Taking the stairs only one at a time  
Follow the sound of my heartbeat now  
I'm in the room at the top,  
You're at the end of the line  
So open the door and lay down on the bed,  
The sun is just a ball of desire

And I wanna take you out of the frying pan  
And into the fire  
Out of the frying pan and into the fire  
Out of the frying pan and into the fire

And I wanna take you out of the frying pan  
And into the fire  
Out of the frying pan and into the fire  
Out of the frying pan and into the fire

And into the fire, fire, fire,  
And into the fire, fire, fire  
And into the fire, fire, fire,  
And into the fire

It's only two o'clock  
And the temperature's beginning to soar  
And all around the city  
You see the walking wounded and the living dead  
It's never been this hot and I've never been so bored  
And breathing is just no fun anymore

Then I saw you like a summer dream  
And you're the answer to every prayer that I ever said  
I saw you like a summer dream  
And you're the answer to every prayer that I ever said

And into the, and into the, and into the  
And into the fire, fire, fire,  
And into the fire, fire, fire  
And into the fire, fire, fire,  
And into the fire

And into the fire, fire, fire,  
And into the fire, fire, fire  
And into the fire!
