Every day of my life they say the same old thing Hey boy! Oh boy, you better wait for your turn And every day of my life I get the same old line Hey boy! Oh boy, when are you going to learn I wanna go on the red, I wanna go on the green I wanna go on all colors that I see in between I wanna run all the tolls, I wanna run all the signs I wanna run all the way across a double white line But every day of my life I see the same old road Hey girl! Oh girl, we gotta pull up our routes And every day of my life I see the same old dream Hey girl! Oh girl, I need a dream I can use I wanna go on the red, I wanna go on the green I wanna go on all colors that I see in between I wanna run all the tolls, I wanna run all the signs My body is the car and my soul is the ignition Your love will be the key and we'll jockey for position till we

Peel out! Peel out! We're sick and tired of waiting in line

Peel out! Peel out! Nobody's taking our time Peel out! Peel out! Peel out!

Tyre tracks and broken hearts, that's all we're leaving behind There oughta be a law and there better be a crime There oughta be a law and there better be a crime

## (Instrumental)

And every night of my life there's something holding me back Hey girl - what is it boy - oh girl, I know it's time to cut lo ose
