

# You Took The Words Right Out Of My Mouth

Meat Loaf

On a hot summer night, would you offer your throat to the wolf with the red roses?

Will he offer me his mouth?

Yes.

Will he offer me his teeth?

Yes.

Will he offer me his jaws?

Yes.

Will he offer me his hunger?

Yes.

Again, will he offer me his hunger?

Yes!

And will he starve without me?

Yes!

And does he love me?

Yes.

Yes.

On a hot summer night, would you offer your throat to the wolf with the red roses?

Yes.

I bet you say that to all the boys...

It was a hot summer night  
and the beach was burning.  
There was fog crawling over the sand.  
When I listen to your heart  
I hear the whole world turning.  
I see the shooting stars falling  
through your trembling hands.  
You were licking your lips  
and your lipstick shining.  
I was dying just to ask for a taste.  
We were lying together in a silver lining  
by the the light of the moon.  
You know there's not another moment  
Not another moment  
Not another moment to waste.

You hold me so close that my knees grow weak.  
But my soul is flying high above the ground.  
I'm trying to speak but no matter what I do  
I just can't seem to make any sound.

And then you took the words right out of my mouth.  
Oh it must have been while you were kissing me.  
You took the words right out of my mouth.  
Oh and I swear it's true,  
I was just about to say I love you. (love you)  
And then you took the words right out of my mouth.  
Oh it must have been while you were kissing me.  
You took the words right out of my mouth.  
Oh and I swear it's true,  
I was just about to say I love you. (love you)

Now my body is shaking like a wave on the water  
And I guess that I'm beginning to grin.  
Oh we're finally alone and we can do what we want to.

The night is young  
And ain't no one gonna know where you  
No one gonna know where you  
No one's gonna know where you've been.

You were licking your lips  
and your lipstick shining.  
I was dying just to ask for a taste.  
We were lying together in a silver lining  
by the the light of the moon.  
You know there's not another moment to waste.

And then you took the words right out of my mouth.  
Oh it must have been while you were kissing me.  
You took the words right out of my mouth.  
Oh and I swear it's true,  
I was just about to say I love you. (love you)

And then you took the words right out of my mouth.  
Oh it must have been while you were kissing me.  
You took the words right out of my mouth.  
Oh and I swear it's true,  
I was just about to say I love you. (love you)
