

## Meltdown

## Meat Puppets

It's out of wire  
It's under grown  
It's out of line  
It's just a question  
Of what you know  
Meltdown

Too good, too real  
Five aces, a square deal  
Meltdown

It's what it is  
N' what it's not  
And all in all  
It's just a question  
Of what you got  
Meltdown
