Well, that iceberg  
Well, wanna dewdrop  
Well, at the sidewalk  
Well, it's just a backdrop

Slow down, slow down  
Do you feel like running?  
Take a look around  
Slow down

Well, got a history  
Well, got a force field  
Well, want a future  
Well, got a mystery

Slow down, slow down  
Do you feel like running?  
Take a look around  
Slow down

Well, revolution  
Well, all the big wheel  
Well, wanna fire fight  
Well, wanna boogie

Slow down, slow down  
Do you feel like running?  
Take a look around  
Slow down

Slow down, slow down  
Do you feel like running?  
Take a look around  
Slow down

Well, well, well, well
