

## Other Kinds Of Love

Meat Puppets

Love is sweeter than honey  
Honey is sweeter than wine  
Wine is sweeter than tangerines  
Tangerines are blind

I know the earth between my feet  
I know the skies above  
I know that's where the angels meet  
To spread unearthly love  
Today I walked among them  
I could not get enough  
They did not even see me  
As they did their angel stuff

One takes the staircase  
One holds the wheel  
One ties the cotton  
To the tire maker's heel  
Not hand to picture  
What I'm thinking of  
Many many other kinds of love

Wheels start a-turnin'  
A lotta turns make rain  
Rain swells the river  
And the river floods the plain

I know the earth between my feet  
I know the skies above  
That's where the angels meet  
To spread unearthly love  
Six or seven others  
Spilled out on the floor  
They begin to multiply  
There are hundreds more
