

Crucified horizon  
Human lives wasted away  
One by One

Scatter the mortal seeds  
And sow a failed generation

Conquer all  
Corrupt all  
Cant you see its bloodstained meaning?

Once and for all  
One by one, humans shall fall  
No longer chained  
No longer restrained

Conquer all  
Corrupt all  
Cant you see it's bloodstained meaning?

Conquer all  
Corrupt all  
Enslave and contaminate

#### 4. Non Serviam

I see a world destined to fall beneath me  
The world, the sky, designed to leave it behind

I shall not kneel  
I declare non serviam

Forever enslaved by one law  
Forever cast down all dissension

Raise the flag on shattered lands  
Conceal the truth with bloodstained hands

I shall not kneel  
I declare non serviam
