At the Gates of Troy

Meden Agan

"I see her!! She's smilling at me! She's so beautiful! Goddes of beauty! I need that girl !! I want ti Take her with me!!" "Paris my love!! Need you!! I want to share my life With you! There is full moon Tonight It will be our guide Light to heaven!!" "Gods of wind Take me home I want this Pain to go away!!" All my dreams Come true The woman of My life is mine!! "The prophecy it's finally Revealing!! The shadow fall in to My kingdom I see the ships!! The war is Near" "I bless this land!! With the Blood of my enemies!! The gods are with me!! I rule my destiny!!" "This is the time for glory Ournames Will stand for Centuries!! This War will never be Forgotten The immortality !! Is out There!! (At the gates of Troy !!") "I take my dreams Till my last breath So much hate!! So much death !! Out of walls of Troy!! Gates of Troy it's Time for war!!" "Give me back the Blood of my son Let me wash his

Body Let me say the Prayers to this Gods for his Soul to be Blessed" Ector flying away... Dreaming away... Live!! The eternal glory!! "This is the time for glory Our names Will stand for centuries!! This war Will never be forgotten The immortality!! Is out there!! (At the gates of Troy!!)"
