

Erevos Aenaon

Meden Agan

Darkness Covers the land
A figure emerges from the shadows
Into the mortal world
The bringer of pain enthroned
Nocturnal incantations
The slaves shall arise
Obscure degradation
The era of evil... glorified!

Erevos Aenaon
Abominations of old
Erevos Aenaon
The temple of deception
Now fall!

Loose the chains of fear
Set the people minds free
Millennium's propaganda has failed
Under the presence of thee
Nocturnal incantations
The slaves shall arise
Obscure degradation
The era of evil... glorified!
