

Listen to ya granny ft. Jahmmi Youth

Medial banana

Open ya eyes...

Poky verse:

So ya got a glock
So ya got a semi
Standing round da block
Feeling kind a heavy

morning 5 o clock
Ya feel like mercenary
What ya ago do?
Should have listen to ya granny

Trying to look prepared
While drinking bloody mary
Now you are so scared
But joss cyant tell any

joss a likkle child
lying dead on floor
In school ya didnt sit
Now ya would beg fi more

Open ya eyes and
Ya ll be surprised
We turning di young man
Into di gun man

Open ya eyes
Ya ll be surprised
We turning the youngsters
Into di gangsters

Tell dem me done
Me have me gun gun gun
That is our wisdom conscious and a sunny sun

Tell dem me done
Mi ah di samurai man
Mi weapon is mi music cyan call me poky san

Tell dem me done
Yes me lion
Hear di nature calling like a
Run come come

Tell dem me done

Lift mi mind listen to di base and drum
