

# Whatever You Need

Meek Mill

Mustard on the beat, ho

Girl, as long as you, wrap your arms 'round me  
Ooh baby, I don't care what them people say  
I'm givin' you whatever you want  
Girl, you know I can provide  
Whatever you need  
(Whatever you need, babe)  
Listen to your heart, baby

Yeah, I'm the only young nigga who's poppin' that  
Got it jumpin' out the heat there like who coppin' that?  
New G Wagon got her braggin', put a lock on that  
Niggas always hit her DM, she don't holla back, woo, woo, copy that  
Cuffin', I've been cuffin'  
Chanel bags like it's nothin', and she love them  
Her last nigga, he was bluffin', she said, "Fuck him"  
He let that go, I'm like, "He buggin'," now she thuggin' with a real one  
I've been ballin' on you 'cause you smart and loyal  
All my homies know me best, they say I'm fallin' for you  
And that box be slippery like tryna walk on oil  
And I'll be there long as you there when I be callin' for you, facts

Girl, as long as you, wrap your arms 'round me  
Ooh, baby I don't care what them people say  
I'm givin' you whatever you want  
Girl, you know I can provide  
Whatever you need  
(Whatever you need, babe)  
Listen to your heart, baby

Yeah, you can get whatever you want, whatever you need  
Got a one way flight 'cause I ain't lettin' you leave  
We ain't fuck first night, had me beggin' you please  
But you love when I'm beggin', you told me get on my knees  
And I ate it, we got faded  
You said, "Put some Tory Lanez on" and I played it  
In Philly, we say you the main joint and we save it  
Finally got a rich nigga, baby, you made it  
Long as you hold me down, you know that it's goin' down  
Be there when I turn around and I'll turn your world around  
I had to tone it down 'cause you made me slow it down  
But I got you open now, so I'm 'bout to show you now, show you now

What makes you think that I would try to run a game on you?  
Just as sure as my name is Dolla, I'll be there for you and I'll  
Treat you just like a queen and give you fine things  
You'll never have to worry 'bout another in your place, so believe me when I  
say

Girl, as long as you, wrap your arms 'round me  
Ooh, baby I don't care what them people say  
I'm givin' you whatever you want  
Girl, you know I can provide  
Whatever you need  
(Whatever you need, babe)  
Listen to your heart, baby
