

# Grace Gold

Meg Mac

Ohh, uhhh

See me cry  
See me lay down  
Cry, oh just lay down  
Oh just lay down  
Have you heard about grace?  
Well she's golden  
Have you heard about grace?  
Well she's golden

And oh how I know it's rough  
Ooh, I know about dreaming  
Dreaming, dreaming, dreaming

Ohh, uhhh  
Ohh, uhhh

Whatchu gonna do when you can't buy it?  
Whatchu gonna do when you can't buy it?  
Well stay away from my town  
Cause it's just me in my town  
And I'll just move around

And have you heard about grace?  
Well she's golden  
Have you heard about grace?  
Well she's golden

And oh how I know it's rough  
I know, I know about dreaming  
Dreaming, dreaming, dreaming

Ooh, in the middle of the road  
Been driving so long I forgot about  
The dreaming, well I forgot about the dreaming  
About the dreaming  
Well I forgot about the dreaming

Golden dreaming  
Golden dreaming  
Golden dreaming

Ohh, uhhh  
Ohh, uhhh  
Ohh, uhhh  
Ohh, uhhh

Let's all go to grace gold  
Let's all go to grace gold  
Grace gold  
Grace gold
