

1000 Times Goodbye

Megadeth

The tides of change pulled us apart
I feel a familiar pain
It seems like years since we've loved
Or even liked and that's a lonely way to be

Drifting alone in a sea of agony
Your face I can't recognize
Don't make this hard on us
I will miss you if you just go away

I did no right, did no wrong
Nothing left but wasted days
I regret you leaving
But I will never take you back

You know what? It's over
I just don't feel the same way as I used to
We've been together forever
But it's over, it's over, it's over

Goodbye, 1000 times goodbye
The thought never crossed my mind
That this would be my last goodbye

Let me put pennies on your eyes
And kiss your lips one last goodbye
My love, 1000 times goodbye

It seems nothing good is free
A good thing cost much more than the price
You were good but not that good
Don't kid yourself, now it's time to break up

Drifting alone in a sea of agony
Your face I can't recognize
Don't make this hard on us
I will miss you if you just go away

I did no right, you did no wrong
Nothing left but wasted days
I regret you leaving
But I'll never take you back

Don't call me anymore, it's just not
I don't feel the same about you
It's not as good as it used to be
Used to be, used to be

Goodbye, 1000 times goodbye
The thought never crossed my mind
That this would be my last goodbye

Let me put pennies on your eyes
And kiss your lips one last goodbye
My love, 1000 times goodbye

Goodbye, 1000 times goodbye

The thought never crossed my mind
That this would be my last goodbye

Let me put pennies on your eyes
And kiss your lips one last goodbye
My love, 1000 times goodbye

I'll always love you
But just not like that
Like what?
I wanna be honest with you
I met someone else
You did what?

And I really, I really love him
Like I used to love you
Remember the time that I told you
That I was going out of town for business?
Well, I went to see him
You know what? You suck!

Goodbye 1000 times

You'll always have
A special place in my heart
You know that
It's just, I can't be with you anymore
It's over

Goodbye 1000 times
Things may not work out with him
Goodbye 1000 times
And if they don't
Goodbye 1000 times
Then I'll certainly call you
Goodbye 1000 times

You mean a lot to me
I still really want to be friends with you
I love you like you're my brother
