

## Five Magics

Megadeth

Bestow upon me knowledge  
Wizard - all knowing all wise  
I want to rule this kingdom  
Make sweet the breeze now defiled  
Dethrone the evil prince's iron fists  
In velvet gloves of sin  
Parade the grey robed monks  
The vestal virgins, wheel the wyvern's in  
Let the ceremony  
consecrate the marriage  
Let me be the protege  
Of five magics  
Give me alchemy  
Wizardry  
Sorcery  
Thermatology  
Electricity  
Magic if you please  
Master all of these  
Bring him to his knees  
I master five magics

Possessed with hellish torment  
I master magics "5"  
Hunting the abyss lord  
Only one will stay alive  
He who lives by the sword  
Will surely also die  
He who lives in sin  
Will surely live the lie
