

I'll Be There

Megadeth

I heard the voice of redemption
For me there is no exemption
I started praying

I heard the voice of satisfaction
Needing me for benefaction
I started pleading

I heard the bells begin to chime
Warning me oh lord
Don't let this be my time
Don't let this be my time

I'll be there for you, when you walk through the fire
I'll be there for you, when the flames get higher
When nothing fits and nothing seems right
Till the very last breath of my life, I'll be there for you

You saw me slide, you saw me fall
We kept our pride through it all
We started screaming

When skies are dark, no sun shines through
I know I see the light in you
We stopped dreaming and started believing

I'll be there for you, when you walk through the fire
I'll be there for you, when the flames get higher
When nothing fits and nothing seems right
Till the very last breath of my life, I'll be there for you
I'll be there

In my hour of need
You were there always
Now it's time for me to be there for you too
Always

I'll be there for you
