

Killing Is My Business... and Business Is Good!

Megadeth

I am a sniper
Always hit the mark
Paid assassin
Working after dark
Looking through the night
Using infra-red
My target on you
Aimed at your head

Ten thousand up front,
Ten thousand when I'm through
And I know just what to do,
And you know I'll do it too
Then I'm coming back for you,
Back for you!

I do the getting rid of,
Don't tell me why
Don't need to hear the truth,
Don't need the lies
Now pay me quickly
And now we're through
It brings me great pleasure to say
My next job is you

Don't you know that killing is my business...
And business is good
You better believe it
