

## Mary Jane

Megadeth

Forgive me father for I have sinned  
I'm a child of air, I'm a witch of the wind  
And I'm still wide awake... Mary Jane

From the earth, up through the trees  
I can hear her calling me  
Her voice rides on the breeze  
Oh, it's haunting me

No, I can't get away  
No, there's no escape  
If I know I'm going crazy  
I must not be insane

Beware my friends, as you pass by  
As you are now so once was I  
As I'm now so you must be  
Prepare my friends to follow me

Forgive me father for I have sinned  
I'm a child of air, I'm a witch of the wind  
Fingers gripped around my brain  
No control my mind is lame  
I'm in the astral plane, and I'll never be the same  
Never, never, never, never, never, never  
Never, never, never

Beware my friends, as you pass by  
As you are now so once was I  
As I'm now so you must be  
Prepare my friends to follow me

It hurts so bad I can't breathe  
Prepare to follow me
