

# Poison Was the Cure

Megadeth

I miss the warm embrace I felt  
First time you touched me  
Secure and safe in open arms  
I should have known you'd crush me

A snake you were when we met  
I loved you anyway  
Pulling out your poisoned fangs  
The venom never goes away

Serpent swims free in my blood  
Dragons sleeping in my veins  
Jackyl speaking with tongue  
Roach egg laying in my brain

Stalked beneath your shadow  
Sleepwalking to the gallows  
I'm the sun that beats your brow in  
Until I finally threw the towel in

Never knowing if I'd wake up in a  
Whirlpool got redundant  
My brain was just some driftwood  
In a cesspool I became dead

From a rock star to a desk fool  
Was my destiny someone said  
Loves a tide pool  
Taste the waters life's abundant

Taste me
