

Time: The End

Megadeth

Oh I see chronos
His eyes are on fire
He holds my life
And I see my time expire

Beat the clock
(Beat the clock)
Beat the clock
(Beat the clock)
My head starts to spin
(My head starts to spin)
My head starts to spin
(My head starts to spin)
Tick, tock
(Ooh tick, tock)
Tick, tock
(Yeah yeah, tick, tock)
Oh I can't let time win
(Oh I can't let time win)
Oh I can't let time win
(I can't let time win)
