

# Trust

Megadeth

Lost in a dream  
Nothing is what it seems  
Searching my head  
For the words that you said

Tears filled my eyes  
As we said our last goodbyes  
This sad scene replays  
Of you walking away

My body aches from mistakes  
Betrayed by lust  
We lied to each other so much  
That in nothing we trust

Time and again,  
She repeats let's be friends  
I smile and say yes  
Another truth bends,  
I must confess

I try to let go, but I know  
We'll never end 'til we're dust  
We lied to each other again  
But I wish I could trust

My body aches from mistakes  
Betrayed by lust  
We lied to each other so much  
That in nothing we trust

God help me please, on my knees  
Betrayed by lust  
We lied to each other so much  
That in nothing we trust

How could this be happening to me  
I'm lying when I say "Trust me"  
I can't believe this is true  
Trust hurts  
Why does trust equal suffering

Absolutely nothing we trust
