

# Whose Life (Is It Anyways?)

Megadeth

Oooh, you're just in time  
To get inside my head  
Oooh, the war of words  
You're underneath my skin

You hate the way I wear my clothes  
You hate my friends and where we go  
I see you in the shadows..  
You think you know what's best for me  
You hate everything you see in me  
Have you looked in a mirror?!

HEY! Just whose life is this anyway?  
You tell me how to live but who asked you anyway?  
HEY! Just whose life is this anyway?  
Cost so much more than a price  
I ain't gonna pay!

Yooooou only point out fault..  
Anxiety attack..

Yooooou running your mouth..  
You stab me in my back!

You hate the way I wear my clothes  
You hate my friends and where we go  
I see you in the shadows..  
You think you know what's best for me  
You hate everything you see in me  
Have you looked in a mirror?

HEY! Just whose life is this anyway?  
You tell me how to live but who asked you anyway  
HEY! Just whose life is this anyway?  
Cost so much more than the price  
I ain't gonna pay!

Running your mouth.. /Running your mouth/  
Stab me in the back..  
Anxiety attack..

HEY! Just whose life is this anyway?
