

# A Girl's Life

Megan & Liz

No girls don't just wanna have fun.  
We take it fast, take it slow.  
We can come undone.  
We're so much more than a magazine,  
Can't you see?  
It's a fight with society.

I've been living in a movie,  
So make believe.  
Tired of the script,  
I was losing me.  
I'm rewriting happy endings,  
I realise  
I take the pen  
I control the lines.

Turn it up,  
Make it louder  
Jamming out alone.  
I love this song  
Bout a boy who's proven wrong.  
I don't admit the secrets,  
But I say this believe it.  
Oh it feels so right  
Living a girl's life.

Watching movies, no makeup on.  
You arrive, can't decide if i got the time.  
I'm at the scene where Edward is gone.  
Oh Bella you better, better stay strong.

Turn it up,  
Make it louder  
Jamming out alone.  
I love this song  
Bout a boy who's proven wrong.  
I don't admit the secrets,  
But I say this believe it.  
Oh it feels so right  
Living a girl's life.

This is a song for every girl  
Who's ever felt the weight of the world.  
I've been there too,  
She's been there too,  
We've been there too,  
So just

Turn it up,  
Make it louder  
Jamming out alone.  
I love this song  
Bout a boy who's proven wrong.  
I don't admit the secrets,  
But I say this believe it.  
Oh it feels so right  
Living a girl's life.
