

Happy Never After

Megan & Liz

I thought we were unstoppable yeah
I fell it's undeniable that anyone
Could see I was so in love with you yeah

I thought we'd always be happy, happy
I thought you'd always be good for me
Guess I was wrong
Guess you'll always be my happy, happy
Happy never after
Happy never after
Yeah, yeah, yeah, yeah

Maybe, you're no good for me but baby
No don't need ya
Now I see, so clearly it's time, to let you go,
Yeah

I thought we'd always be happy, happy
I thought you'd always be good for me
Guess I was wrong
Guess you'll always be my happy, happy
Happy never after
Happy never after

Dam dam dammm
Dam dam dammm
Dam dam dammm
Dam dam dammm
Dam dam dammm
Dam dam dammm
Oh ohhh oh happy

I thought we'd always be happy, happy
I thought you'd always be good for me
Guess I was wrong
Guess you'll always be my happy, happy
Happy never after

I thought we'd always be happy, happy
I thought you'd always be good for me
Guess I was wrong
Guess you'll always be my happy, happy
Happy never after
