I'm 21 and I don't know much about nothing I think I know what I want and I'm running around like I'm some thing $\frac{1}{2}$

The money I spend when I go to the bar should be going to rent or fixing my car

I'm 21 and I don't really care about nothing

I talk a big game, I'll tell you a fake name, But if you ask me what I'm drinkin' tonight I'll say

(Hey) I'm a little new at this and

(Hey) This shot is worse than my first kiss

(Hey) I've got a lot of life to live, don't treat me like a lit tle kid,

I'm just a little new at this

Don't take a smile as anything more than good manners
You can buy me a drink but that don't mean I'll lower my standa
rds

I'm a little bit dizzy and I'm light on my feet They're all talking
