Migraine

Megan McCauley

Speak your peace Better believe me, better believe me I can't take Seeing your face, please believe me Use me Forsake me Or leave me be You're all the same I'm way ashamed Don't try to hide With alibis Can't take the blame Fucked-up your name Please come inside Never mind Don't believe Every angle Every moment You can't see Your soul is brittle From my torment Use me Forsake me Or leave me be You're all the same I'm way ashamed Don't try to hide With alibis Can't take the blame Fucked-up your name Please come inside Never mind You're all the same I'm way ashamed Don't try to hide With alibis Can't take the blame Fucked-up your name Please come inside Never mind
