Porcelain Doll

Megan McCauley

Why do they leave me all by myself? Why do they use me and bring me down? Why do they hurt me? Why do they leave me? Why doesn't anybody stick around?

Why doesn't anyone stay here? Why do they leave me? Don't they realize I'm a porcelain doll? Small, unsure, beautiful Breakable

If I sit here waiting to be wanted Something good will pass me by Many people look through the windows But seldom do they ever look into my eyes

Why doesn't anyone stay here? Why do they leave me? Don't they realize I'm a porcelain doll? Fragile, helpless, unwanted Breakable

They can't tell that I am sweet They can't tell I'm like a porcelain doll Beautiful and demure But they will lie to me

Why am I not numb to this? Why can't I let it all escape my mind? Don't let me sit here collecting dust But please be careful, please be kind

Why doesn't anyone stay here? Why do they leave me? Don't they realize I'm a porcelain doll? Lost, alone, unsure Kind, demure, small Fragile, helpless Breakable Breakable
