

# Wrong Way Out

Megan McCauley

Face down  
I'll pretend I don't know when  
But supposing now  
You let me choose again  
Hands tied  
I couldn't tell you where I'd been  
I'll let the whole thing slide  
Think I could have stayed with you

Instead I took the wrong way out  
I did no wrong until now  
I can only see what I'm meant to see  
When it comes 'round  
Instead of breaking myself down  
I took the wrong way out  
I took the wrong way out

Faint lines  
Marking out another day  
I can see that I just started panicking  
Its like  
Couldn't think of what to say  
Now I know that I  
I should have tried anyway

Instead I took the wrong way out  
I did no wrong until now  
I can only see what I'm meant to see  
When it comes 'round  
Instead of breaking myself down  
I took the wrong way out  
I took the wrong way out

I can't take another day  
Living with the weight  
Of knowing that I put space between me and you  
Don't wanna wait  
For a break  
For an opening that might let me get back through

Instead I took the wrong way out  
I did no wrong until now  
I can only see what I'm meant to see  
When it comes 'round  
Instead of breaking myself down  
I took the wrong way out  
I took the wrong way out

I know I know I know  
Oh oh oh oh oh ooh  
I took the wrong way out  
I know I know I know  
I know I know I know  
I took the wrong way  
I took the wrong way  
La da da da da da  
La da da da da da

I took the wrong way out
