

# Look At Whatcha Done

Megan Nicole

Don't blame me  
I'm not that kind who falls so easily  
So don't blame me

Don't blame me  
I didn't ask for you to be so sweet  
No, don't blame me

I never meant for it to be like this  
But something happened after just one kiss, so  
Don't blame me  
I didn't start this thing  
Boy admit it, Yeah, you did it  
You did it

Look at whatcha done  
Look at whatcha done  
You made me fall in love with you  
Look at whatcha done  
Look at whatcha done  
Nothing that this girl can't do...  
All because of you

I didn't wanna do it. Do it.  
I didn't wanna do it. Do it.  
I didn't wanna do it, but I can't stop now

Look at whatcha done  
Look at whatcha done  
You made me fall in love...(in love)  
Yeah, you made me fall in love

Don't blame me  
If you are exactly what I call my type  
My Mr. Right

I believe  
You and me go together perfectly  
So don't blame me

Ain't feeling guilty 'bout what's happening  
I don't regret it, not a single thing  
So, don't blame me  
If I can't help myself  
Boy admit it  
Yeah you did it, you did it

Look at whatcha done
