## The A Team

## Megan Nicole

White lips, pale face Breathing in snowflakes Burnt lungs, sour taste

Light's gone, day's end Struggling to payrent Long nights, strange men

And they say She's in the Class A Team Stuck in her daydream Been this way since 18 But lately her face seems Slowly sinking, wasting Crumbling like pastries And they scream The worst things in life come free to us

Cos she's just under the upperhand And go mad for a couple of grams And she don't want to go outside tonight And in a pipe she flies to the Motherland Or sells love to another man It's too cold outside For angels to fly For angels to fly

Ripped gloves, raincoat Tried to swim and stay afloat Dry house, wet clothes

Loose change, bank notes Weary-eyed, dry throat Call girl, no phone

And they say She's in the Class A Team Stuck in her daydream Been this way since 18 But lately her face seems Slowly sinking, wasting Crumbling like pastries And they scream The worst things in life come free to us

Cos she's just under the upperhand And go mad for a couple of grams And she don't want to go outside tonight And in a pipe she flies to the Motherland Or sells love to another man It's too cold outside For angels to fly Angels to fly

An angel will die Covered in white Closed eyes

And hoping for a better life This time, we'll fade out tonight Straight down the line Straight down the line, Yeah And they say She's in the Class A Team Stuck in her daydream Been this way since 18 But lately her face seems Slowly sinking, wasting Crumbling like pastries They scream The worst things in life come free to us Cos we're all under the upperhand Go mad for a couple of grams And we're don't want to go outside tonight And in a pipe she's fly to the Motherland Or sell love to another man It's too cold outside For angels to fly Angels to fly To fly, yeah

Angels to die
