

# Close Your Eyes

Meghan Trainor

Everybody's on the same page  
No new chapters  
We'll never change

Everybody wants to be cool  
Yes they do  
I'm just like them  
But I won't be no fool

I guess I could waste all my time and my money just trying to look right  
But it doesn't change who I am in my heart if I look like a dime

So I want you to close your eyes  
Sing to the world tonight  
And show them what's beautiful  
I don't care what they think  
No, I'm not listening  
'Cause I know I'm beautiful  
So close your eyes

Show them what's beautiful  
Show them what's beautiful  
Gonna' show them...  
Show them what's beautiful  
Show them what's beautiful

Everybody's born to be different  
That's the one thing that makes us the same  
So don't you let them words try to change you  
Don't let them make you into something you ain't

So I want you to close your eyes  
Sing to the world tonight  
And show them what's beautiful  
I don't care what they think  
No, I'm not listening  
'Cause I know I'm beautiful  
So close your eyes

Show them what's beautiful

Show the world the you inside  
Raise your voice and close your eyes  
'Cause you're beautiful  
Come on and show the world the you inside  
Raise your voice and close your eyes  
'Cause you're beautiful

So I want you to close your eyes  
Sing to the world tonight  
And show them what's beautiful  
I don't care what they think  
No, I'm not listening  
'Cause I know I'm beautiful  
So close your eyes
