## **Close Your Eyes**

## **Meghan Trainor**

Everybody's on the same page No new chapters We'll never change

Everybody wants to be cool Yes they do I'm just like them But I won't be no fool

I guess I could waste all my time and my money just trying to look right But it doesn't change who I am in my heart if I look like a dime

So I want you to close your eyes Sing to the world tonight And show them what's beautiful I don't care what they think No, I'm not listening 'Cause I know I'm beautiful So close your eyes

Show them what's beautiful Show them what's beautiful Gonna' show them... Show them what's beautiful Show them what's beautiful

Everybody's born to be different
That's the one thing that makes us the same
So don't you let them words try to change you
Don't let them make you into something you ain't

So I want you to close your eyes Sing to the world tonight And show them what's beautiful I don't care what they think No, I'm not listening 'Cause I know I'm beautiful So close your eyes

Show them what's beautiful

Show the world the you inside
Raise your voice and close your eyes
'Cause you're beautiful
Come on and show the world the you inside
Raise your voice and close your eyes
'Cause you're beautiful

So I want you to close your eyes Sing to the world tonight And show them what's beautiful I don't care what they think No, I'm not listening 'Cause I know I'm beautiful So close your eyes
