

# Shoowap Shoowah

Meghan Trainor

Shoowap Shoowah  
Shoowap Shadoobee Doobee  
Shoowap Shadoobee Doobee

Today I told you  
I would be gone  
Before the night time  
I'd be all alone  
But I never got a call  
Did you wonder at all  
Where I was goin'  
When I was leaving  
Did you even care  
Now I'm pulling out my hair  
And I'm singing to myself

Shoowap Shoowah  
Shoowap Shadoobee Doobee  
Shoowap Shadoobee Doobee

I feel them raindrops  
Pouring on my head  
And now I'm thinking  
About everything I said  
No you never heard a line  
What a stupid waste of precious time  
I wished the rain'd stop  
I wished my bus would come  
And I'll be goin'  
Before I see the Sun  
It's a new start  
A new life for me  
Now I'm happy finally  
So sing

Shoowap Shoowah  
Shoowap Shadoobee Doobee  
Shoowap Shadoobee Doobee

(Shoowap Shoowah...)  
I'm finally gone  
(I can sing this song)  
I'm not going back  
(I'm all done with that)  
I'm finally free  
And I-I say shoowap

Shoowap Shoowah  
Shoowap Shadoobee Doobee  
Shoowap Shadoobee Doobee

Well the times have changed  
I'm feeling pretty good  
I bet you think  
I am all misunderstood  
But haven't lost my ways  
In fact I met someone today and

Oh!  
(Shoowap Shoowah...)  
I'm finally gone  
(I can sing this song)  
I'm not going back  
(I'm all done with that)  
I'm finally free  
Now I can say shoowap

(Shoowap Shoowah...)  
Shadobee Doobee Doo  
I'm finally free  
So I can sing  
Shoowah shabadobadeebada...  
I'm finally free
