

# Something to Believe In

Meghan Trainor

I do believe  
I do believe in you  
I do believe in you  
I do believe in you  
I do believe in you

You're like a story  
A story that hasn't been told  
You're like a mystery  
You give me something to believe in  
I'll never ever let you go  
You make me crazy  
You seem to jump me off the wall  
I just don't get it  
Somehow  
You give me something to believe in  
I'll never ever let you go

So tell me what would I do

Without you  
And the way  
That you say  
How I'm so amazing  
I can't deny  
What I feel  
Yeah I know it's real  
Yes I believe  
(That this is right)  
Yes I believe  
(That this is real) tonight  
You give me something to believe in

Yeah, you're like a story  
And I am up to chapter 3  
But should I worry  
That you're not so into me  
Can't you see  
My life would not be complete

So tell me what would I do

Without you  
And the way  
That you say  
How I'm so amazing  
I can't deny  
What I feel  
Yeah I know it's real  
Yes I believe  
(That this is right)  
Yes I believe  
(That this is real) tonight  
You give me something to believe in

(I do believe, I do believe in you)...

I believe I believe  
I hope we see eye to eye  
And sparks they fly, fly  
I believe I believe  
That you're the first true story in my mind  
Yeah I know Yes i know  
That the feeling is right

Without you  
And the way  
That you say  
How I'm so amazing  
I can't deny  
What I feel  
Yeah I know it's real  
Yes I believe  
(That this is right)  
Yes I believe  
(That this is real) tonight  
You give me something to believe in

Without you  
And the way  
That you say  
How I'm so amazing  
I can't deny  
What I feel  
Yeah I know it's real  
Yes I believe  
(That this is right)  
Yes I believe  
(That this is real) tonight  
You give me something to believe in
