

# Guilty

Mehida

I feel that I am drowning  
Can't you see?  
Oh please just let me breathe

I am exhausted because of this burden  
I'm desperately crying in my pain  
'Cause we're all...

Guilty  
Burning in our flesh  
Tryin' hard to be free  
Guilty  
'Cause we don't wanna see  
We're convicted under a sin  
(2x)

I see no escape from myself  
For what I do is not the good  
I want to do

I am exhausted because of this burden  
I'm desperately crying in my pain  
'Cause we're all...

Guilty  
Burning in our flesh  
Tryin' hard to be free  
Guilty  
'Cause we don't wanna see  
We're convicted under a sin  
(4x)
