

# I Wonder

Meiko

He was a boy that wasn't very nice  
He was a boy who wasn't very very nice

He told me that I wasn't very nice  
He told me that I wasn't very very nice

And I wonder to myself  
I wonder to myself  
I wonder to my, wonder to myself

I was a girl with big big dreams  
I was a girl with very very big dreams

He was a boy who didn't need many things  
He was a boy who didn't need too many things

La da da di da

I am afraid of being alone  
I am afraid that I can't call him my own

He is afraid that I'll be gone  
He is afraid that I will be gone

And I wonder too, I wonder too  
I wonder too, I wonder too  
I wonder too, I wonder too  
I wonder too

He wonder too, he wonder too  
He wonder too, he wonder too  
He wonder too, he wonder too

I said I'm on my way  
I'm gonna call it a day  
I said I'm on my way  
I'm gonna call it a day  
I said I'm on my way  
I'm gonna call it a day  
I said I'm on my way  
I'm gonna call it a day  
I'm gonna call it a day

(I wonder to myself)  
La da da di da

I said I'm on my way  
I'm gonna call it a day  
I said I'm on my way  
I'm gonna call it a day  
I said I'm on my way  
I'm gonna call it a day  
I said I'm on my way  
I'm gonna call it a day  
I'm gonna call it a day
