Lie To Me

Lie to me I don't want to know your history I don't want to know a single thing Please lie to me

Say you'll stay Even if you plan to go away I know you'll come back another day Please lie to me

Check all of the above I'm deaf, dumb, and blindly in love I just can't get enough Please lie to me

Make me believe I'm the only one you've ever loved I'm the only one you'll ever touch Please lie to me

And say you'll stay Even if you plan to go away I know you'll come back another day Please lie to me

Check all of the above I'm deaf, dumb, and blindly in love I just can't get enough Please lie to me

Check all of the above Everything's not black and white I'm in between the dark and light So lie to me

Check all of the above Please lie to me

Check all of the above If everything's not Xs and Os I'd rather never know Please lie to me

Check all of the above Pieze White the me
