

Piano Song

Meiko

Every little thing I do, I do for you
With every little thing I think, I thought of you

And I try so hard not to notice
I try so hard not to care
I try so hard not to know that you're not here

But I'm counting down the hours
And I'm counting up the days
I try so hard not to show this side of me

I'm jealous of the way they walk, the way they talk
Cause I don't think they know just what they got
I'm jealous of the way they look, the way they are
When I just wanna be the way we were

And I try so hard not to notice
I try so hard not to care
I try so hard not to know that you're not here

But I'm counting down the hours
And I'm counting up the days
I try so hard not to show this side of me

Well I try so hard not to notice
I try so hard not to care
I try so hard not to know that you're not here

But I'm counting down the hours
And I'm counting up the days
I try so hard not to show this side of me

This side of me
