## **Dance On A Volcano**

## **Mekong Delta**

Originally performed by Genesis

Holy Mother of God You've got to go faster than that to get to the top. Dirtly old mountain All covered in smoke, she can turn you to stone So you better start doing it right Better start doing it right.

You're halfway up and you're halfway down And the pack on your back is turning you around. Throw it away, you won't need it up there, and remember You don't look back whatever you do. Better start doing it right.

On your left and on your right Crosses are green and crosses are blue

Your friends didn't make it through. Out of the night and out of the dark Into the fire and into the fight Well that's the way the heroes go, Ho! Ho! Ho!

Through a crack in Mother Earth, Blazing hot, the molten rock Spills out over the land. And the lava's the lover who licks your boots away, Hey! Hey! H ey! If you don't want to boil as well, B-B-Better start the dance D-D-Do you want to dance with me.

The music's playing, the notes are right Put your left foot first and move into the ight.

The edge of this hill is the edge of the world And if you're going to cross you better start doing it right Better start doing it right.

Let the dance begin.
