Defenders Of The Faith

Mekong Delta

Hunt him, go and chase him, he's envoy of scum of earth. Kill him, go and burn him, law says that he has no rights. He's deaf for truth the words we're told by god.

Chase him, try to kill him, god will be now on our site. Stone him, have to burn him, we must wipe out this disgrace for sure. He's deaf for words we've told.

who say we are weird ? who say we are weird ? who say they are ?

Genocide - Holocaust - Slaughtering Mystique reasons for the glory of god spending life's while using words for bad deeds never sad

Absolution in their heads. For a god, they never had Execution as contract, Killing people never met.

Reasons find some reasons, than go for another war. Deflect, try to distract that what we are going for. Want more hole world control overall

who say we are weird ? who say we are weird ? who say they are ?

Genocide - Holocaust Shady reasons for a strange way of live trashing worlds Consume as fuel for bad deeds we've been told

Absolution in their head for a god they never had Execution as contract Killing people never met

Mystique reasons For a strange way of live trashing lives while using words for bad deeds TIŠtěve z been txp.cold
