## All Right (i'll Sign The Papers)

## **Mel Tillis**

I've tried so hard to keep our home alive but you don't even ca re that I'm around  $\,$ 

You tell me that somehow our love has died And you'd rather be set free than be tied down All right I'll sign the papers even though you know I love you so

All right I'll sign the papers but oh how it hurts to see you g

I've laid awake at nights when you were gone And thought of all the things that I could do To try and make you happy when you come home But the more I try the more you make me blue All right I'll sign the papers
