

I Could Never Be Ashamed Of You

Mel Tillis

Everybody says you let me down
I should be ashamed to take you 'round
Makes no difference what you used to do, darling
I could never be ashamed of you
Maybe you were reckless yesterday
But together we can find a brighter way
In my heart, I know that you'll come true, darling
I could never be ashamed of you
All the happiness I've ever known
Came the day you said you'd be my own
And it matters not what we go through, darling
I could never be ashamed of you
Maybe you've been cheated in the past
And perhaps those memories will always last
Even though you prove to be untrue, darling
I could never be ashamed of you
